

Seneca

Athel Thompson is visiting his sister, Mrs. Fred Knapp.

Geo. Campbell is home again after several months absence.

Joe Myers is pulling broom corn for the Bugh brothers.

Mrs. Raobars Brothel and wife have been visiting her for the past two weeks.

Mr. and Mrs. Chas. Kerman are rejoicing over the arrival of a little son, born September 28.

Mr. Fones and Will Howard have been cutting fed at the Morris Herzstein ranch. Morris is filling his silos.

Mr. and Mrs. Will Howard and son, Clyde, spent the past Sunday at the home of Mr. and Mrs. Fred Knapp.

Broomecorn hands are in demand, now. Most every farm contains a field of broom corn and the harvest is ready.

The rainy spell is causing much delay among the farmers. All are very anxious to get their feed cut.

"It's a long way to Tipperary" but The News office is close by. Maybe you owe the poor editor a dollar or two, if so, please cough up. The sign is out.

Miss Reta Taylor has been staying with the family of Oscar Messenger in Clayton for a few weeks. We all miss her, as Reta is one of our best girls.

Cattle buyers from Corlena, Texas, were in this vicinity this week looking for choice heifers, but they are meeting with poor success finding them.

Geo. Farley made final proof on his homestead this week. Mr. Farley is one of the largest farmers in our valley, having 160 acres of splendid crop this year.

Byrne-Downs

Friday afternoon at the Catholic church, Rev. Father Dumarest joined in the holy wedlock, Mr. John Byrne and Miss Irma Downs. Both young people are residents of Des Moines, and Mr. Byrne is a brother of Lee Byrne, deputy county treasurer.

AN EXCELLENT PERFORMANCE

Busby's Minstrels played to a crowded tent last night. They were by far the best minstrels that ever visited the city under canvas. They have an excellent performance, especially the dancing, while the old time minstrel performance and songs delighted the audience. They carry a fine band and are a tuneful, musical, talented crowd.—Yates Center Advocate. Clayton, Wed. October 6.

The Chew That's GOOD

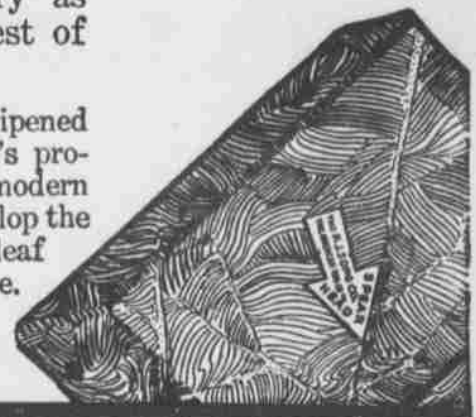

Such a rich, rare flavor as you get in a chew of SPEAR HEAD you never did and never will taste in any other tobacco. That SPEAR HEAD flavor is unique, mellow, fruity, everlastingly delicious and satisfying.

SPEAR HEAD
PLUG TOBACCO

has been famous for a third of a century as the richest, tastiest of chews.

It's made of sun-ripened red Burley. And it's produced by the most modern processes, which develop the luscious flavor of the leaf to the supreme degree. Get a plug and try it

WE ARE ALL ALIKE
In This Respect

That if we did not have some work to do we would leave a lot of other work undone. You oil the engine every three months and then you have a chance to look over it and see if all bolts and taps are tight. The Sampson is built like an engine---drop forged wrist pin---was the best geared mill on the jump off and the best today BAR NONE.
